

Fashion Farm's Pumpkin Fantasyland October 1st – 31st

2009 Theme: "Fantasyland Through the Years"

Fantasyland started in 1972 when Charlie Pumpkin put two butternut squash together and created Snoopy. Using pumpkins, gourds, and squash, Charlie's imagination and inspiration was the beginning of 37 years of Fantasyland Creations. Some of the most popular displays are: Snow White & the Seven Dwarfs, Bugs Bunny, Dolly Parton, Cat in the Hat, Cinderella, Flintstones, Mother Pigs and Babies, and of course, the ever popular Presidents.

Come and enjoy the highlights of our favorite memories through the years with us.

Pumpkin Fantasyland is open daily until 7 P.M., Oct 1st-31st .
